ABOUT US

OLIS Trading is a promising company in FMCG trading. Through its import, export, and distribution operations, OLIS has provided the markets of FMCG and health products with an impressive range of world-famous brands.

Since its establishment in 2003, OLIS's name has always been a synonym of integrity, professional attitude, and trustworthy partnership.

What sets us apart from our competitors is our individual approach and flexibility. The company relies on a clearly oriented trade policy that encourages long-term business relationships based on trust between countries.

Our mission is to supply our partners with brand portfolio that can influence the market and ensure successful sales, while maintaining competitive prices as well as established quality.
